

MODEL ANSWERS: English Reading

A: Reason 1: They were shaking. Reason 2: They were breathing deeply.

Method: Inference (Domain 2d): Look for clues in the text that suggest an emotion even if it isn't stated directly.

A:

Link: The character feels excited at the start but disappointed at the end.

Evidence 1: Text says 'he ran to the pitch with a grin'.

Evidence 2: Text says 'he slumped his shoulders on the way home'.

Explain: The contrast between 'grin' and 'slumped shoulders' shows his shift in mood.

Method: Comparison (LINK): Link the two points, provide evidence for both, and explain the difference.
