

LTSA Suite: The Future of Safety

**Sovereign Intelligence for Advanced Therapies.
Protecting Patients, Securing ROI.**

The Problem: Regulatory Lag

**Advanced therapies move at the speed of light.
Safety monitoring moves at the speed of legacy. v2
bridge the gap.**

The Solution: Five-Point Framework

PGS | RCM | SLF | CAEH | EAIDE. The only integrated sovereign safety suite.

The Evidence: Wu, Chazarin, Gifford

**Validated 2025-2026 data. Peer-review grade
synthesis. Higher confidence, lower risk.**

The Value: 30% Attrition Reduction

Accelerate approvals, lower clinical trial costs, and build long-term patient trust.

Call to Action: Lead the Sovereign Era
